Open Play Gyms

Sickness

For the consideration of all, please do not bring a sick child to class.

Siblings

Babies under the age of 6 months can be brought to the class with an enrolled sibling but must be in a baby carrier. For safety reasons, non-enrolled siblings over the age of 6 months cannot be brought to class, please ask about our Family classes.

Parent liability

Parents accept the responsibility for assuring that each child is at all times accompanied and supervised by at least one adult and to stay within an arm's length of your child.

Parent participation

We ask all parents to follow the teacher's lead and encourage their child to participate in the class activities. Parents are important role models and children are more motivated when supported by someone they trust who celebrates their achievements.

Registration fee

There is a lifetime registration fee of CHF100.- valid worldwide for the family.

Refunds

No refunds are given on any purchase.

Hygiene

For hygiene reasons adults must wear socks on the play floor. Children should ideally be barefoot as their toes are needed for balance and grip.

PLAY STRONG!

Strong, healthy bodies grow strong, healthy minds.

When little ones play, two important things are going on: they're building strength and coordination but they're also creating thousands of brain cells. That's why kids need active play every day.
